DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application

1. The applicant has elected Group I, corresponding to claims 1-54, and 83-85 and one species SEQ ID NO: 60, and has withdrawn the previous species election of SEQ ID NO: 17. The communication filed on March 18, 2003, is non-responsive to the prior Office action because it fails to comply with the Election/Restriction requirement

Art Unit: 1634

under 35 U.S.C. 121 which requires the election of a single Group and single disclosed species even though this requirement is traversed. Specifically, no species of claim 32 was elected in response to the restriction requirement in the office action mailed to the applicant on March 25, 2003. Claim 32 does not recite elected species SEQ ID NO: 60. A species in claim 32 must be selected. Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a TIME LIMIT of ONE MONTH from the date of this letter or within the time remaining in the response period of the last Office action, whichever is longer. Applicant may elect to either extend the period for response set in the last office action up to a maximum of SIX MONTHS or to extend from this ONE MONTH limit under 37 CFR 1.136 (a) or (b) up to SIX MONTHS from the mailing date of this letter.
